Summary

I'm a Junior Web Developer, excited to embark on a six-month coding bootcamp at Coder Academy.
I'm currently located in sunny Sydney, originally from Borneo and having lived in New Zealand for almost 10 years.
Before becoming a dev, I had a successful and rewarding career in the accounting and banking industry in both New Zealand and Australia.
In my free time, I enjoy reading and spending time outdoors such as going on a hike or hanging out at the beach. I''m also an enthuasiastic home cook and foodie.
